

Help Desk for visitors in Mini Secretariat Sirsa

District Administration Sirsa has established a Helpdesk in Ground Floor at the Main Entrance of Admin. Block of Mini Secretariat Sirsa to assist visitors coming from rural and urban areas to meet concerned Officer and staff for their desired work.

The Help Desk has not only played a vital role in providing guidance on getting their activity accomplished in a short span of time but also saves time of Officers.

The Visitor Pass Management System developed by NIC Haryana State Centre Chandigarh has also been implemented at this HelpDesk Counter to maintain the record of visitors online.
